## **EDUCATION AND PROFESSIONAL DEVELOPMENT**

### **Bryn Mawr Higher Education Resource Services (HERS) Institute (2018)**

The HERS Institute is a competitively-selected Leadership Development Institute for Women in Higher Education. Since 1976, the curriculum covers general leadership principles, higher education trends, change management, budgets and financial statements, career planning, legal issues, inclusive excellence, and fundraising. Sessions are taught by professional practitioners and leaders in their fields, as well as campus administrators.

### **Doctor of Philosophy in Health Promotion and Education (1998)**

The Ohio State University, Columbus, OH

### **Master of Science in Health Science (1994)**

Ball State University, Muncie, IN

### **Bachelor of Science in Sociology and Exercise Physiology (1993)**

Rutgers University, New Brunswick, NJ

## **PROFESSIONAL WORK EXPERIENCE**

### **The Ohio State University—College of Medicine**

*Associate Professor (with tenure) of Biomedical Education & Anatomy (2016-present)*

*Executive Director, Albert Schweitzer Fellowship Program—Columbus-Athens Chapter (2020-present)*

### **The Ohio State University—College of Medicine**

*Associate Professor (with tenure) of Family Medicine (2011-2016)*

#### **Duties and achievements:**

- Conducted health literacy and health services research.
- Provided one-on-one research mentoring to medical students, residents and junior faculty in the Department of Family Medicine. Through my mentoring ten peer-reviewed articles were published.
- Served as the *Lead.Serve.Inspire*. Course Director of the Community Health Education Project. This project is a required service learning/community engagement course for first-year medical students. Duties included securing community placements and ensuring that students and community partners had successful experiences.
- Served a *Lead.Serve.Inspire*. Portfolio coach.

- Invited speaker and session chair at the Health Sciences Innovation Conference (H3C) in Mumbai, India (January, 2015).
- Served as the Program Director of the Area Health Education Center's Clear Health Communication/Health Literacy.
- Served on the Biomedical Institutional Review Board as a faculty proposal reviewer and content expert.
- Chaired the Department of Biomedical Education & Anatomy's Appointment, Tenure, and Promotion Committee.

**The Ohio State University—Office of Undergraduate Education/Student Academic Success**

***Director of the Office of Undergraduate Research & Creative Inquiry (2015-2019 full-time, concurrent with faculty appointment as Associate Professor in College of Medicine)***

Report directly to the Vice Provost and Dean of Undergraduate Education; manage annual operating budget of nearly \$1 million; supervise and/or mentor three full-time staff members, seven part time student employees and over seventy five staff and faculty volunteers.

Duties and achievements:

- Headed restructuring and rebranding of the Office. Worked collaboratively with Human Resources to resolve personnel matters and reassign and redistribute staff responsibilities. Worked with the Dean of Undergraduate Education to rename the Undergraduate Research Office to the Office of Undergraduate Research & Creative Inquiry.
- Balanced a negative operating budget by carefully reviewing expenses and future expenditures.
- Created university-wide funding opportunities for undergraduates, enrolled in all OSU Colleges, to carry out multidisciplinary research and/or creative projects. This included the expansion of opportunities beyond STEM fields into the liberal and fine arts programs.
- Planned, advertised and executed large-scale (800+ students) interdisciplinary research presentation forums throughout each academic year.
- Organized multiple small-scale (~15 students) interdisciplinary research opportunities for students to present their research in engaging formats beyond standard poster presentations (e.g., *Images of Research + Arts* Competition and 3-Minute Thesis [3MT<sup>®</sup>] Competitions).
- Expanded opportunities for students on the OSU regional campuses to participate in main campus research events
- Collaborated with Columbus State Community College (Columbus, OH) on joint initiatives to promote undergraduate research opportunities available potential OSU transfer students.
- Fundraised and stewarded donors in collaboration with the OSU Offices of Corporate Relations and Advancement on fundraising efforts to support the Richard J. and Martha D. Denman Undergraduate Research Forum (<https://ugresearch.osu.edu/uro-initiatives/denman>).
- Identified presentation opportunities for students to disseminate their research on an international stage and personally with presentation preparation. Accompanied students to undergraduate research forums in Monterrey, Mexico (2016), Edinburgh, Scotland (2017) São Paulo, Brazil (2017 and 2018), and Oldenburg, Germany (2019). Established a reciprocal undergraduate research presentation exchange between OSU and the University of São Paulo.
- Developed and submitted a comprehensive, successful proposal to the Council on Undergraduate Research (CUR) to host an international CUR Meeting on The Ohio State University (OSU) campus. The CUR 2019 Annual Meeting was held on the OSU campus in June, 2019.
- Established joint service-learning and research opportunities for undergraduates under faculty mentorship with the OSU Office of Outreach and Engagement.
- Planned an undergraduate research exchange program between OSU and the Universidad San Francisco de Quito (USFQ). In June 2018, traveled to Ecuador to visit and meet with staff at USFQ campuses in

Quito and Galápagos Islands. Guest higher education lecturer at USFQ's Shift Academy (<https://www.shiftusfq.com/shift-internacional-2018>).

**The Ohio State University—Offices of Undergraduate Education and Student Life**  
***Collaboration with the Honors & Scholar Center (2012-present)***

Ongoing collaboration with the Honors & Scholars Center on the following initiatives:

- Created and taught two courses (*Primary Care across Countries* and *Global Public Health in Finland and Estonia*) for twenty undergraduates enrolled in the Honors program.
- Led an introductory course for first-semester Honors students exploring British culture and history throughout the semester and traveled to London, England for 12-days as a group.
- Reviewed and evaluated in-coming student applications for the Honors and Scholars programs.
- Interviewed and provided application feedback on faculty review panels for undergraduates applying for the Fulbright, Rhodes, Goldwater and Marshall scholarship programs.

***Collaboration with Office of Student Life (2011-present)***

Expanded outreach to main campus undergraduates:

- From 2011-2013, volunteered with the Office of Student Life—University Housing to be an International House (IH) Learning Community faculty friend. Collaborated with the residence hall director to plan monthly activities (e.g., cooking, campus tours) for IH residents.
- Mentored second year students annually (2013-present) as a faculty mentor for OSU's Second-Year Transformational Experience Program (STEP). Each year, STEP faculty volunteers are matched with a small cohort of students (15-18) to serve as mentors while students transition through their second year of college (<https://step.osu.edu/>).

**The Ohio State University—Colleges of Education & Human Ecology and Public Health**  
***Associate Professor (courtesy appointment) of Human Sciences (2014-present)***

- Chairperson of Elizabeth Balk's (2014) dissertation committee.
- Member of Megan Ferriby's (2019) dissertation committee.

***Associate Professor (courtesy appointment) of Health Services Management and Policy (2015-present)***

- Created and led a 3-week education abroad course for public health students to Finland and Estonia (2016-2018); traveled throughout Finland and Estonia to compare and contrast emerging public health and primary care initiatives in both countries.
- Established collaborations with the Finnish National Institute for Health and Welfare (equivalent to the US Centers for Disease Control), University of Jyväskylä, the United States Embassy in Estonia, University of Tartu, and The Prime Minister of Estonia.

**Fulbright Scholar**

***Moldova State University of Medicine and Pharmacy, Chişinău, Moldova (2009 and 2011)***

- Taught health services-related seminars to practicing physicians enrolled in the Master of Public Health program.
- Researched Moldovan primary care/health services.

***University of Nicosia, Nicosia, Cyprus (2010)***

- Presented research workshops to students and faculty via the Fulbright Scholar Inter-Europe Travel Grant Program.

**University of Tennessee Graduate School of Medicine**

*Assistant Professor of Family Medicine (2001-2005), Associate Professor (with tenure) of Family Medicine (2005-2011), and Director of the Office of Medical Education and Research (2009-2011)*

Duties and achievements:

- Conducted health literacy and health services research.
- Developed and executed research-related curricula for Family Medicine residents, fellows, and junior faculty.
- Provided one-on-one research mentoring to residents, fellows, and junior faculty in the Departments of Family Medicine, Surgery, Obstetrics & Gynecology, Pathology, and Internal Medicine.
- Member of the University's Graduate Medical Education, Core Curriculum, and Academic Appointment, Promotion, and Tenure Committee.
- Board member of The Physicians' Medical Education and Research Foundation.

**The University of Texas at Tyler**

*Assistant Professor of Health Science (1998-2001)*

- Taught health science undergraduate and graduate courses (*Health Ecology, Human Diseases, Health Biometry, Community Health Assessment, Behavioral Medicine, Principles of Epidemiology, Drug Use, Misuse, and Abuse, Sexually Transmitted Diseases, Consumer Health, Public Health Nutrition, Public Health Administration and Practice, Theories and Models in Health Behavior Change and Research Methods*).
- Advised undergraduate health science majors.
- Served on the University's Human Subjects Investigation, Freshman Orientation and Teacher Education Preparation Committees.

**The Ohio State University**

*Graduate Research and Teaching Associate of Health Education (1994-1998)*

- Taught introductory health education courses (*Responding to Emergencies, Health and Behavior, Current Concepts in Community Health Education, and HIV and AIDS*).
- Member of the Council of Graduate Students' Academic Misconduct and Rules Committees.
- Member of the University Senate as the College of Education's graduate student representative.
- Recipient of the 1997 Welsey and Katharine Cushman Award (award for outstanding health education students)
- Recipient of the 1998 Delbert Oberteuffer Award (award for outstanding graduate student in education).
- First-place winner of the 1998 Edward F. Hayes Graduate Research Forum dissertation research presentation.

**Ball State University**

*Graduate Teaching Associate of Health Science (1993-1994)*

Taught an introductory health education course (*Responding to Emergencies*).
